

## Only the Scars Remain.

"Among the many testimonials which I see in regard to certain medicines performing cures, cleansing the blood, etc.," writes HENRY HUDSON, of the James Smith Woolen Machinery Co., Philadelphia, Pa., "none impress me more than my own case. Twenty years ago, at the age of 18 years, I had swellings come on my legs, which broke and became running sores. Our family physician could do me no good, and it was feared that the sores would be infected. At last, my good old mother urged me to try Ayer's Sarsaparilla. I took three bottles, the sores healed, and I have not been troubled since. Only the scars remain, and the memory of the past, to remind me of the good Ayer's Sarsaparilla has done me. I now weigh two hundred and twenty pounds, and am in the best of health. I have been on the road for the past twelve years, have noticed Ayer's Sarsaparilla advertised in all parts of the United States, and always take pleasure in telling what good it did for me."

## TEA CAKE JOHNNY

An Odd Character and Unique Member of Colored Circles.

Tea Cake Johnny, the negro who was killed near Corsicana while attempting to escape from the convict farm, was for years a well known character in Waco. He was an artist at whatever he attempted—beating a ducky or driving a hack, waiting on a table or resisting a half dozen officers, an excellent porter, and a brilliant gambler, an accomplished cook and a skillful boxer, a good all-round man servant at whatever duties were assigned him, and a persistent and bold violator of law in all its phases. He was a hero among his sex and very popular with the dusky belles.

Tea Cake was a historical character among the negroes and will be handed down to posterity in their legends as such.

### Tetter Cured

Troy, Texas, Nov. 27, 1893.

This is to certify that I had Tetter in my hands and the use of three-fourths of a bottle of the Zimmerman Liniment completely cured me. I have proved that this liniment is an immediate cure for burns. I accidentally burnt my hand very badly, and to stop the pain, I saturated a cloth with the Zimmerman Liniment and bound it on my hand. In about two hours I removed the bandage, and the burnt part of my hand was entirely well, not even blistered. I think it is one of the best liniments ever put up.

### Mrs. Partington Says

Comparisons are odious.

It holds good when you compare the display of Deane's baby photos to all others, in the Baby fair held by Connor, Tucker & Co. Compare the figures: Photos received in competition, 140; Deane made 71; ten other galleries made 69. Compare the per cent: Deane, 51 per cent; ten others, combined, 49 per cent; and Deane charges the most.

## THE LAWN PARTY.

An Excellent Programme to be Rendered.

Next Tuesday evening at the residence of Mrs. W. D. Lacey, the ladies of the Cumberland Presbyterian church will entertain, the occasion being a lawn party, delicious refreshments being served and a musical programme of great excellence being rendered. The beautiful lawn will be profusely decorated, and dimly lighted with fancy lanterns. A platform has been erected on the green sward, where Miss White, of the Waco Female college, will play the accompaniments. The musical programme will consist of vocal renditions by Mrs. Kathrine Douglass Bronston, Mrs. J. W. Hale, Miss Minnie Johnson and Miss Willie Lou Tibbs. Miss Emma D. Zuche will read.

The affair promises to be far more entertaining than lawn parties generally are, and every arrangement will be made to provide pleasure for all who attend.

### About Circulation.

It is the advertising matter carried by a newspaper that furnishes it the money upon which to operate—the sinews of war, as it has been aptly termed. Now the value of advertising space is in exact ratio to the bona fide circulation, so that the business man who proposes advertising should inquire, first of all, about the circulation. Now to acquire a good circulation the paper must be pleasing to the largest possible number of people, offensive to the smallest possible number. The first requisite in this is a good dress. Just so with a man. If he wants to circulate among all kinds of people, he must be well dressed, and the J. Hansel Wood Clothing company's establishment is the place for him to get the best value for his money.

### Club Run This Evening.

The members of the Waco Wheel club will meet at 6:30 o'clock this evening for a club run. It is expected to go over the relay route as far as Temple. The boys are getting enthusiastic over the relay, and unless it rains next Sunday the relay will be run on that day.

## As Sure As Shooting..

The man who buys a showy, shoddy piano, because it is cheap, comes to grief. Even shoddy gives a decent tone for a few months, but as friction frets the action cloth, noise takes the place of tone, harshness the place of harmony, and tumult the place of tunefulness.

## A YOUNG GIRL'S FORTUNE

### AN INTERESTING SKETCH.

Nothing appeals so strongly to a mother's affection as her daughter just budding into womanhood. Following is an instance: Our daughter, Blanche, now 15 years of age, had been terribly afflicted with leucorrhoea, and had lost the entire use of her right arm. She was in such a condition that we had to keep her from school and abandon her music lessons. In fact, we feared St. Vitus dance, and were positive but for an invaluable remedy she would have had that terrible affliction. We had employed physicians, but she received no relief from them. The first of last August she weighed but 75 pounds, and although she has taken only three bottles of Nerveine she now weighs 100 pounds; her nervousness and symptoms of St. Vitus dance are entirely gone, she attends school regularly, and studies with comfort and ease. She has recovered complete use of her arm, her appetite is splendid, and no money could procure for our daughter the health Dr. Miles' Nerveine has brought her.

When my brother recommended the remedy I had no faith in patent medicines and would not listen to him, but as a last resort he sent us a bottle, we began giving it to Blanche, and the effect was almost immediate. "Mrs. R. R. Bullock, Brimmon, N. Y."

Dr. Miles' Restorative Nerveine is sold by all druggists on a positive guarantee, or sent direct by the Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, \$1 per bottle, six bottles for \$5, express prepaid. It is positively free from opiates or dangerous drugs.
